

## **MSE FINANCIAL SERVICES LTD.**

### **POLICY ON LIMIT SETTING**

MSE Financial Services Ltd may from time to time impose and vary limits on the orders that the clients can place through the stock brokers trading system (including margin limits, turnover limits, limits as to number, value and/or kind of securities in respect of which orders can be placed. The client is aware and agrees that the stock broker may need to vary or reduce the limits or impose new limits urgently on the basis of the stock brokers risk perception and other factors considered relevant by the stock broker including but not limited to limits on account of Exchange/SEBI directions/limits (such as broker level/market level limits in security specific volume specific exposures etc. and the stock broker may be unable to inform the client of such variation, reduction or imposition in advance.

The client agrees that the stock broker shall not be responsible for such variations, reduction or imposition of client's inability to route any order through the stock brokers trading system on account of such variation, reduction or imposition of limits. The client further agrees that the stock broker may at any time, at its own discretion and without prior notice, prohibit or restrict the clients ability to place orders or trade in securities through the stock broker or it may subject any order placed by the client to a review before its entry into the trading systems and may refuse to execute / allow orders. The client agrees that the losses if any on account of such refusal or due to delay caused by such review, shall be borne exclusively by the client alone.

We have margin based RMS. Total deposits of the clients are uploaded in the system and the clients may trade on the basis of margin applicable for respective security as per VAR based margining system of the stock exchange and / or margin defined by the RMS based on its risk perception. Clients will also be granted limit on the approved securities pledged with NSCCL @ 50% of the value of securities. Client may take benefit of "Credit for Sale" i.e benefit of shares held as margin by selling the same by selecting Delivery option through order entry window on the trading platform (CNC). The value of shares sold will be added the value of deposit and on the basis of that client may take fresh exposure.

The limits in NSE F&O segment is set only based on the client ledger balances and 50% on the value of approved pledged securities, after considering the daily MTM.

In case of exposure taken on the basis of shares margin the payment is required to be made before the exchange pay-in date otherwise it will be liable to square off after the pay-in time or any time due to shortage of margin.
